Commissioner of Patents

The communication filed on 2/7/00 is not fully responsive to the communication mailed 1/13/00 for the reason(s) set forth below. A statement that the content of the paper and computer readable copies are the same and, where applicable, include no new matter, as required by 37 C.F.R. 1.821(e) or 1.821(f) or 1.821(g) or 1.825(b) or 1.825(d) was not filed with the response filed 2/07/00. Applicants representative indicated, in the remarks section of the amendment filed that same date, that one was filed, however the cover letter filed with the response filed 2/07/00 does not indicate such a filing and no such declaration was received in the application.

If a complete response has not been submitted by the time the shortened statutory period for response set in the communication mailed 1/13/00 has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 C.F.R. 1.136. In no case may an applicant extend the period for response beyond the six month statutory period.

Any inquiry concerning this communication should be directed to Examiner Sean McGarry, Art Unit 1635, whose telephone number is (703)-305-7028.

Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center receptionist whose telephone number is (703) 308-0196.
